

IN FEAR AND FAITH from San Diego have been hard at work touring and making a name for themselves. Having self released an EP and selling over 30,000 songs on iTunes, IN FEAR AND FAITH has a growing and dedicated fan base. They have toured non-stop over the past year including runs with Emarosa, Attack Attack! (RISE FALL TOUR), The Human Abstract and Eyes Set To Kill. They have a CD release tour scheduled in January with Ferret Records' Gwen Stacey and Epitaphs' Vanna. IN FEAR AND FAITH have some fans in high places. They played Tampa, FL one evening and Craig Owens of Chiodos happened to be at the show. He was so impressed with their live show that he wanted to do guest vocals on the album. So, the label flew Craig to the studio and he laid down some amazing guest vocals on track #6 (The Road To Hell Is Paved With Good Intentions). Also, Jeremy, the singer of A DAY TO REMEMBER also appears on track #9 (Strength In Numbers).
